

# **IceBreaker ( Crowd funding project)**

## **Description of this project and my role**

Hi friends,

This project is about crowdfunding. As we all know about crowdfunding is the practice of funding a project or venture by raising small amounts of money from a large number of people, typically via the Internet. In this project we used small amounts of capital from a large number of individuals to finance a new business venture. This makes use of the easy accessibility of vast networks of people to bring investors and entrepreneurs together and has the potential to increase entrepreneurship by expanding the pool of investors from people funds that can be raised beyond the traditional circle of owners, relatives and capitalists.

This project is done by a group of six members including me. Here in this project I was assigned to do registration, login, User profiles.

Here I did registration using google and facebook and creating some testimonies.

This project has development tools like:

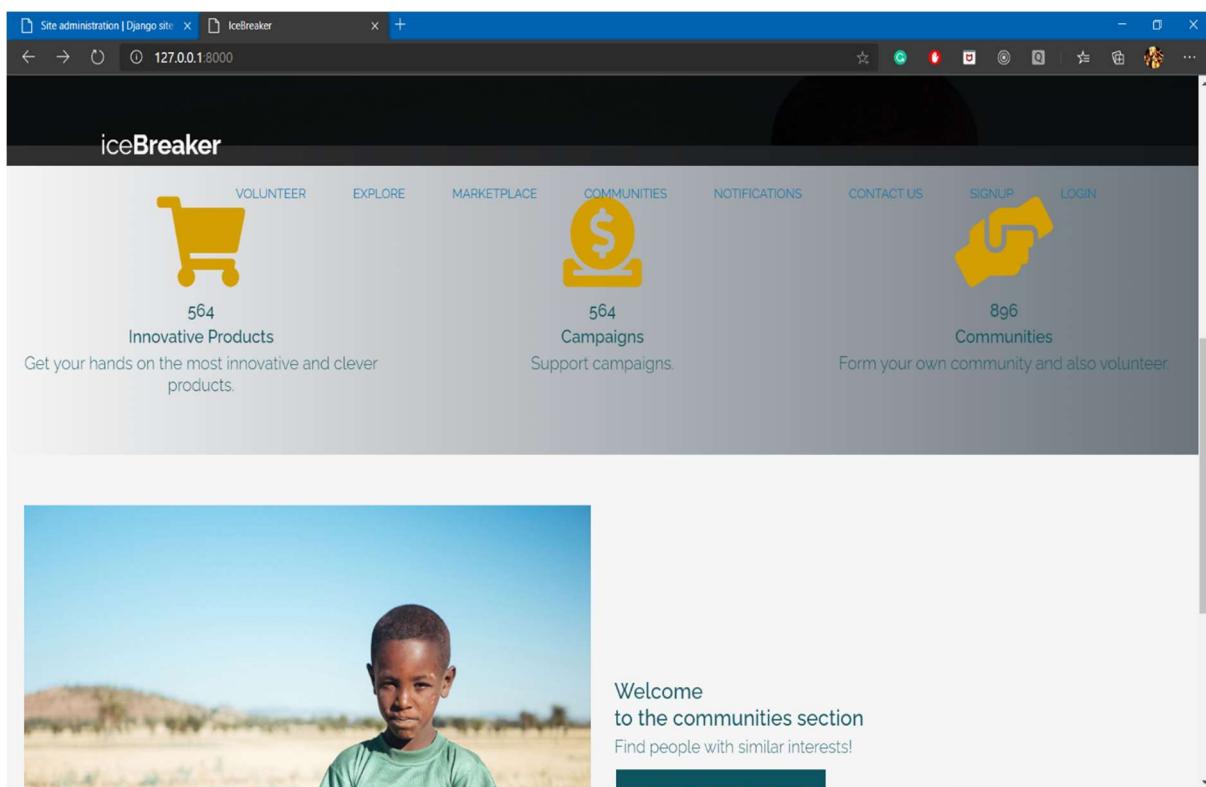

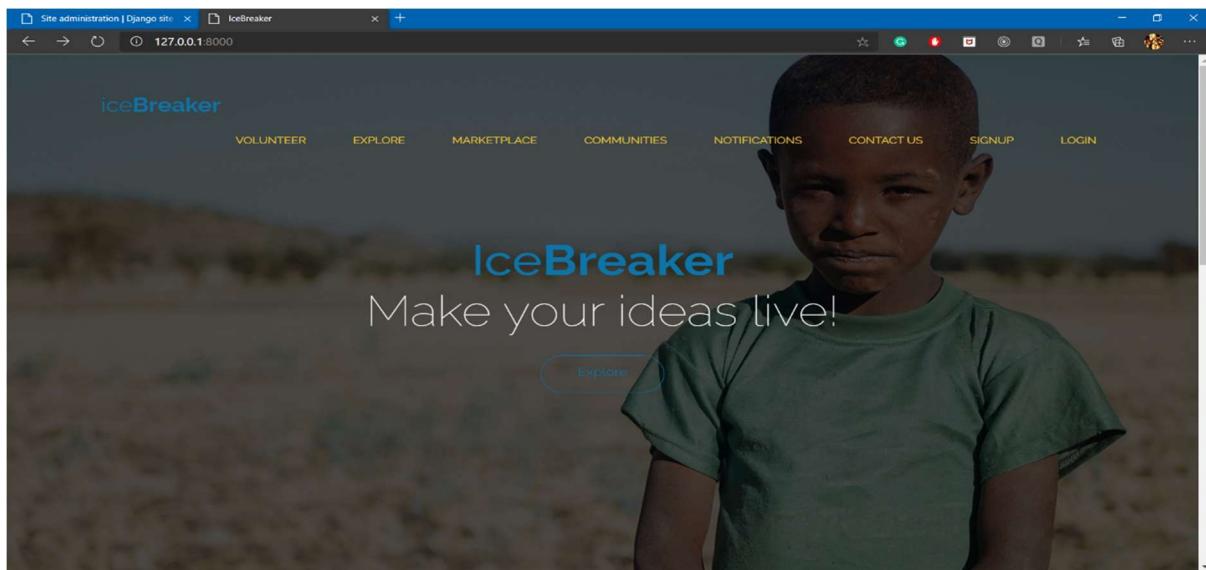

1. Django
2. Ajax
3. HTML5
4. CSS
5. Bootstrap
6. PHP
7. Javascript

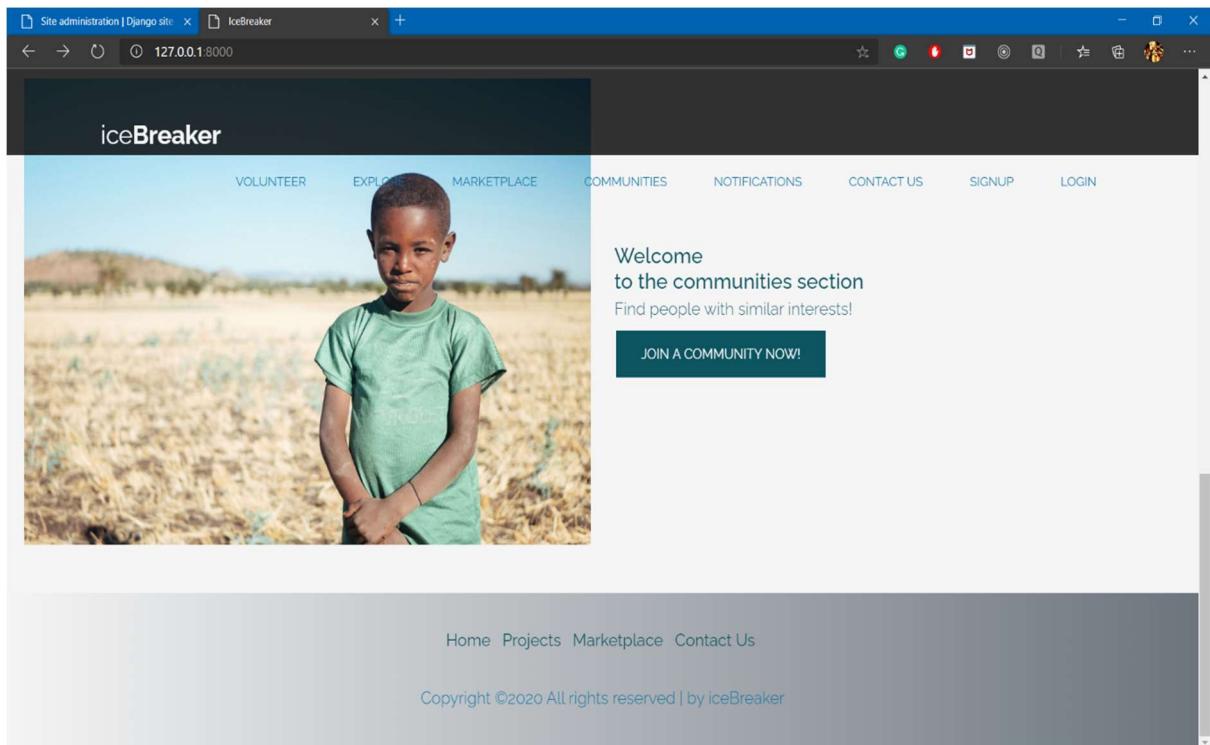

**To run this project on your computer and live then follow the steps: --**

- 1. First open command prompt or windows power shell or terminal and clone this project.**
- 2. Open this repository and go to \ASE1\_project\ASE\_project\Icebreaker.**
- 3. Now type the command "pip install -r requirements1.txt" in your command prompt or powershell or terminal.**
- 4. Then all the requirements will take some time to install on your prompt or powershell or terminal and after this run my project.**
- 5. Then you will see <http://127.0.0.1:8000/> something like this then click on this or paste this url in your browser.**
- 6. Finally you will see this project and one more important point is that your screen should have good resolution so that you can see this project in good way.**

**Thank you .**

## Workflow of Home page

## User Registration Page

A screenshot of a web browser showing the "Account SignUp" page. The page has a header with the site name "iceBreaker" and navigation links. The main content is a form titled "Account SignUp" with fields for First Name, Last Name, Email, and Confirm password. Below the form is a reCAPTCHA verification box with the text "I'm not a robot" and a checkbox. At the bottom is a green "Sign up" button.

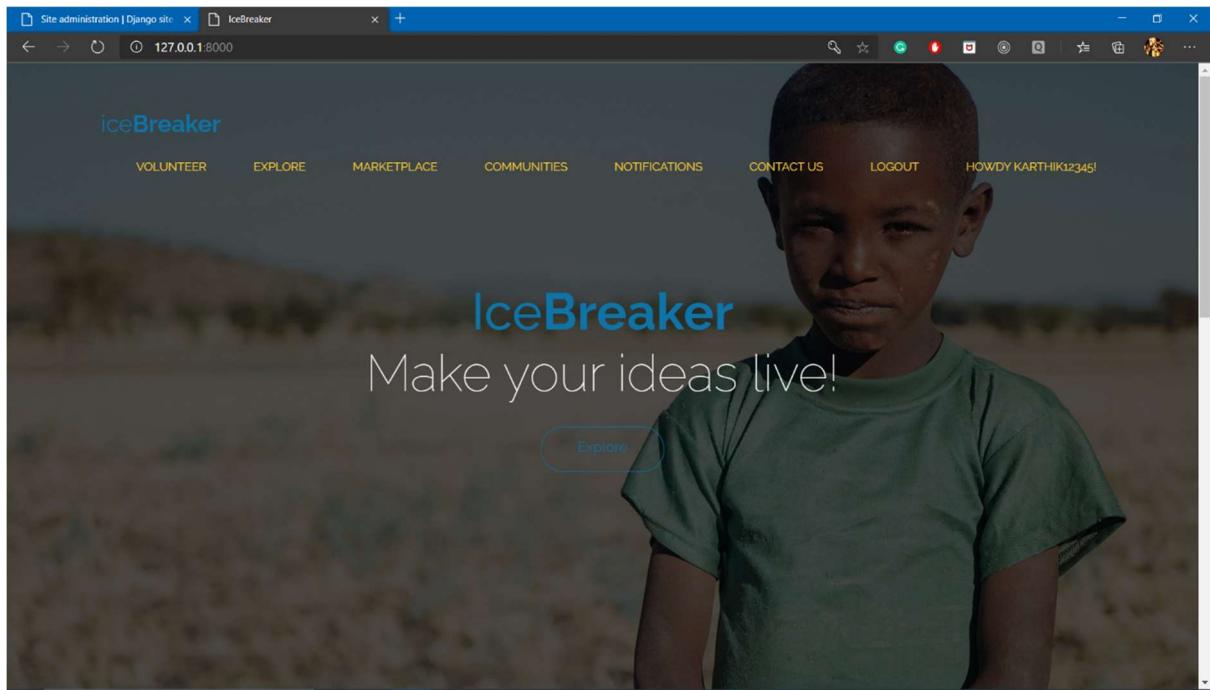

Due to covid, Google is not giving this permission so I am not show Google Auth but previously I did it in 3<sup>rd</sup> semester. Now with new auth and secret key it is showing this.

The screenshot shows the Google Cloud Platform interface for managing OAuth consent screens. The left sidebar lists 'APIs & Services' with options like Dashboard, Library, Credentials, and OAuth consent screen (which is selected). The main content area is titled 'OAuth consent screen' for 'django project'. It displays a warning message: 'We are currently experiencing service disruptions and are unable to provide quota information at this time.' Below this, under 'Verification status', it says 'Verification not required' with a note that users may not see all information and cannot request certain scopes. Under 'User type', it is set to 'External'. There is a link to 'MAKE INTERNAL'. At the bottom, there is a feedback link: 'Let us know what you think about our OAuth experience'.

## Login Page

The screenshot shows a web browser displaying a login page for a Django application named 'iceBreaker'. The URL in the address bar is '127.0.0.1:8000/register/login/'. The page has a navigation bar with links for START, VOLUNTEER, EXPLORE, MARKETPLACE, COMMUNITIES, NOTIFICATIONS, CONTACT, SIGNUP, and LOGIN. Below the navigation is a 'CAMPAIN' section. The main content is a 'SIGN IN' form with fields for 'Username' (containing 'karthik') and 'Password' (containing '\*\*\*\*\*'). There are links for 'Register!' and 'Forgot Password?'. A green 'login' button is at the bottom right of the form.

After login with “**karthik12345**”. You can see right side of navbar

Profile page of user “**karthik12345**”

Here for **volunteering** they can choose their location and participate in communities to launch a campaign for crowd funding

Here this is page where we can see all the campaigns of created

---

This page is all about **marketplace** where we can buy products and add products for campaign

## Products

---

This page is **add product** for market place

The screenshot shows a web browser window with the URL `127.0.0.1:8000/marketplace/add/`. The title bar says "Site administration | Django site" and "blog". The top navigation bar includes links for "blog", "Add Products", "My Product", and a user account "Hi karthik12345". The main content area is titled "Add Product". It contains several input fields: "Product Name" (with placeholder "Money packs"), "Product type" (with placeholder "money"), "overview" (with placeholder "money is needed to store"), "description" (with placeholder "come and donate to us"), and "IMAGE UPLOAD" (a button). Below these are "quantity" (set to "2") and "Cost" (set to "1234"). A "SUBMIT" button is at the bottom right.

After filling the details

The screenshot shows the same web browser window after the details have been filled in. The "Product Name" field now contains "Money packs", the "Product type" field contains "money", and the "description" field contains "come and donate to us". The "IMAGE UPLOAD" button has a small circular icon with a checkmark next to it, indicating a successful upload. The other fields remain the same as in the previous screenshot.

Here we can see all the added products of the user or campaign related products.

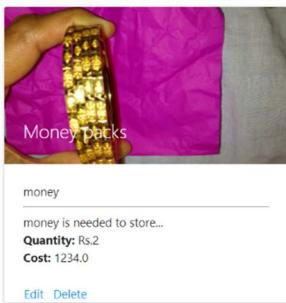

## My Products

Some **products** from above slide details

## My Products

Here **Products** will be displayed in **Home page of marketplace**

The screenshot shows a product listing for 'Money packs'. The product image is a gold-colored bangle with intricate patterns. Below the image, the product name 'Money packs' is displayed. Underneath the name, there is a brief description: 'Type: money', 'money is needed to store...', 'Quantity: 2', and 'Cost: Rs.1234.0'. The background of the page features a photograph of a person's legs wearing jeans and a white shirt.

This page is all about **communities** as I said before after **volunteering** they can participate in communities

The screenshot shows a search interface for communities. At the top, there are two input fields: 'search title:' and 'search address:', followed by a green 'SUBMIT' button. Below the buttons, the text 'no such result found' is displayed. At the bottom of the page, there is a footer navigation bar with links for 'ICEBREAKER', 'PRODUCTS', 'USEFUL LINKS', and 'CONTACT'. The 'ICEBREAKER' section includes a brief description and a 'Register for free' button. The 'PRODUCTS' section lists 'community', 'fundraiser', and 'queries'. The 'USEFUL LINKS' section includes 'Your Account'. The 'CONTACT' section lists 'Sri city, India', 'info@gmail.com', '+01 234 567 88', and '+01 234 567 89'.

Communities **profile page** and **groups** can be displayed( I will show details in later slides)

The screenshot shows a web browser window with the URL [127.0.0.1:8000/community/my-group/](http://127.0.0.1:8000/community/my-group/). The main content area displays "Your Profile page" with user information: name (karthik12345) and email (yagnakarthik.v17@iiits.in). Below this, it says "no groups". A sidebar menu on the left includes options like "view groups", "My profile", "joined groups", "make groups", and "all profiles". The footer contains sections for ICEBREAKER, PRODUCTS, USEFUL LINKS, and CONTACT, along with a "Register for free" button.

Joined groups of communities can be displayed here

The screenshot shows a web browser window with the URL [127.0.0.1:8000/community/joined-group/](http://127.0.0.1:8000/community/joined-group/). The main content area displays "members" under a "joined groups" section. A sidebar menu on the left includes options like "view groups", "My profile", "joined groups", "make groups", and "all profiles". The footer contains sections for ICEBREAKER, PRODUCTS, USEFUL LINKS, and CONTACT, along with a "Register for free" button.

For making of groups or to join some volunteer( I will show details in later slides)

The screenshot shows a web browser window with the URL [127.0.0.1:8000/community/make-group/](http://127.0.0.1:8000/community/make-group/). The page has a navigation bar with tabs: iceBreaker, Fundraiser, Marketplace, and Community. A sidebar on the left contains links: view groups, My profile, joined groups, make groups, and all profiles. The main content area features a map of South Asia with various regions labeled. A modal dialog from Google Maps is overlaid on the map, asking "This page can't load Google Maps correctly. Do you own this website?". Below the map, there are input fields for "title", "type", and "lat". At the bottom of the page, there is a footer with the URL [127.0.0.1:8000/community/make-group/](http://127.0.0.1:8000/community/make-group/).

These are profiles that are in database.

The screenshot shows a web browser window with the URL [127.0.0.1:8000/community/all-profiles/](http://127.0.0.1:8000/community/all-profiles/). The page has a navigation bar with tabs: iceBreaker, Fundraiser, Marketplace, and Community. A sidebar on the left contains links: view groups, search username, My profile, search email, joined groups, make groups, and all profiles. The main content area includes a search form with fields for "username" and "email" and a "SUBMIT" button. Below the form, a table displays user data with two rows. The table has columns for "username" and "email". The first row shows "karthik" and an empty email field. The second row shows "karthik12345" and the email "yagnakarthik.v17@iiits.in". At the bottom of the page, there is a footer with the URL [127.0.0.1:8000/community/all-profiles/](http://127.0.0.1:8000/community/all-profiles/).

The screenshot shows the footer section of the website. It is divided into four columns: ICEBREAKER, PRODUCTS, USEFUL LINKS, and CONTACT. The ICEBREAKER column contains text about the app and a "Register for free" button. The PRODUCTS column lists "community" and "fundraiser". The USEFUL LINKS column lists "Your Account" and "queries". The CONTACT column lists "Sri city, India", "info@gmail.com", and two phone numbers: "+01 234 567 88" and "+01 234 567 89". At the very bottom, there is a footer with the URL [127.0.0.1:8000/community/all-profiles/](http://127.0.0.1:8000/community/all-profiles/).

## Groups created will be displayed

The screenshot shows a web browser window with three tabs: "Site administration | Django site", "my groups", and "free visa cards for applications". The URL in the address bar is "127.0.0.1:8000/community/my-group/". The page title is "Your Profile page". Below the title, there are two sections: "name" (karthik12345) and "email" (yagnakarthik.v17@iiits.in). A table titled "all the groups" lists one group: "kgf\_location" with 0 members, dated Oct. 22, 2020, at address "kukatpally". A green "SUBMIT" button is located below the table.

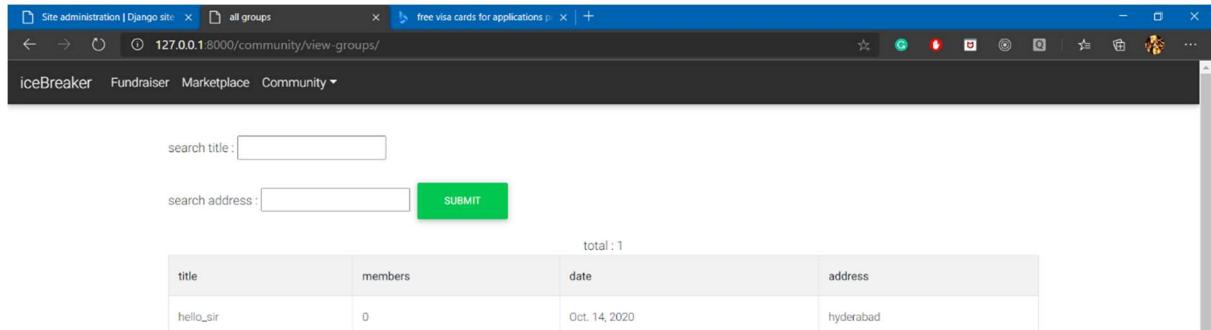

Here we can search the group name and it filters

The screenshot shows a web browser window with three tabs: "Site administration | Django site", "all groups", and "free visa cards for applications". The URL in the address bar is "127.0.0.1:8000/community/view-groups/". The page title is "all groups". There are two search input fields: "search title : hello\_sir" and "search address :". Below the search fields, a table shows search results with a total of 2 entries. The table columns are "title", "members", "date", and "address". The results are "kgf\_location" (0 members, Oct. 22, 2020, address "kukatpally") and "hello\_sir" (0 members, Oct. 14, 2020, address "hyderabad").

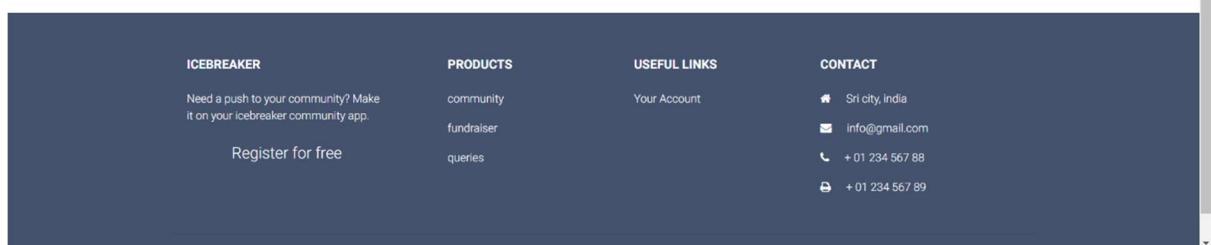

The screenshot shows a dark blue footer navigation bar with four main sections: "ICEBREAKER", "PRODUCTS", "USEFUL LINKS", and "CONTACT".

**After searching the search box will be empty and results will be shown for search “hello”**

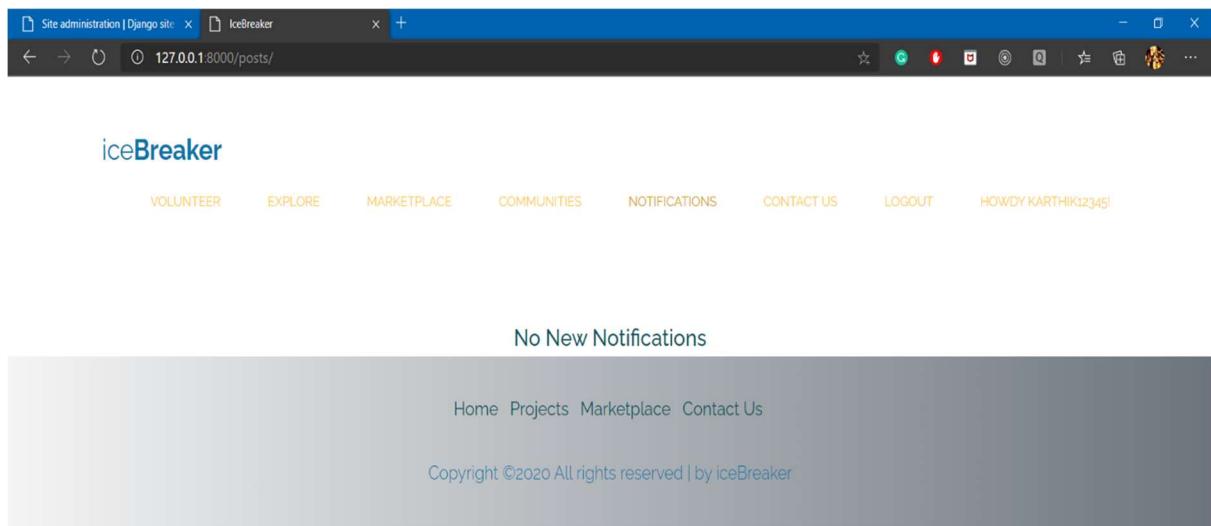

A screenshot of a web browser showing a Django admin interface. The URL is 127.0.0.1:8000/community/view-groups/. The page has a search bar at the top with fields for 'search title:' and 'search address:', and a green 'SUBMIT' button. Below the search bar is a table with one row, labeled 'total : 1'. The table columns are 'title', 'members', 'date', and 'address'. The single row contains 'hello\_sir', '0', 'Oct. 14, 2020', and 'hyderabad' respectively.

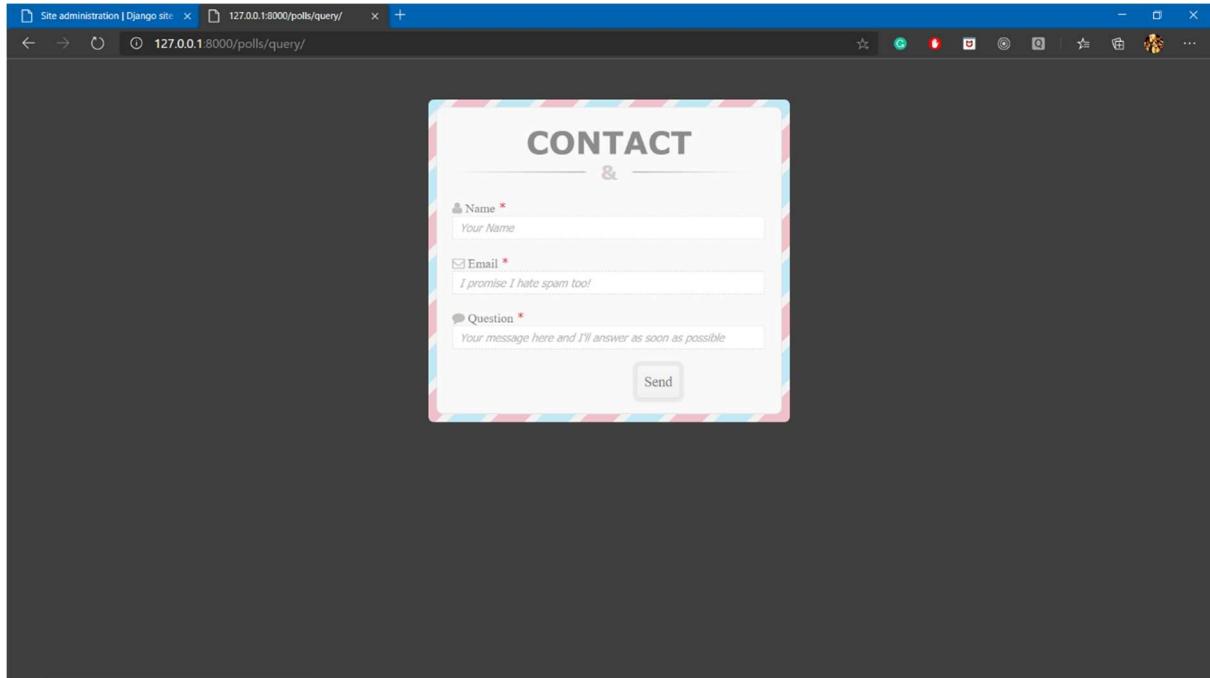

A screenshot of the footer section of the iceBreaker website. It is a dark blue footer with white text. It includes sections for 'ICEBREAKER' (with a sub-section about the app), 'PRODUCTS' (listing 'community', 'fundraiser', and 'queries'), 'USEFUL LINKS' (listing 'Your Account'), and 'CONTACT' (listing 'Sri city, India', 'info@gmail.com', '+01 234 567 88', and '+01 234 567 89'). There is also a 'Register for free' link.

This page is all about **Notifications**( I will show details in later slides if possible )

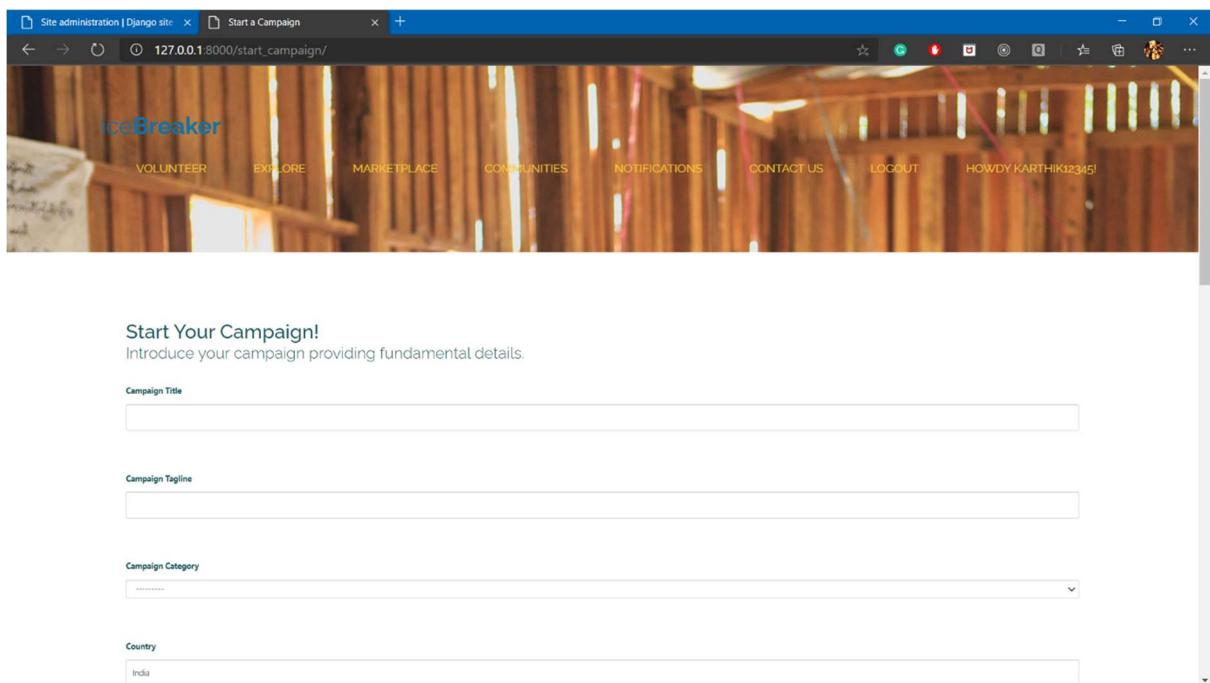

A screenshot of the Notifications page on the iceBreaker website. The URL is 127.0.0.1:8000/posts/. The page header includes the iceBreaker logo and navigation links for VOLUNTEER, EXPLORE, MARKETPLACE, COMMUNITIES, NOTIFICATIONS, CONTACT US, LOGOUT, and a user greeting 'HOWDY KARTHIK12345!'. The main content area displays a message 'No New Notifications'. At the bottom, there is a footer with links for Home, Projects, Marketplace, and Contact Us, along with a copyright notice: 'Copyright ©2020 All rights reserved | by iceBreaker'.

This page is to **contact us** and they can send their query or question

This page is about to **start a campaign**

## Same page of above form( starting a campaign )

Screenshot of the 'Start a Campaign' form on the iceBreaker platform.

The form fields include:

- Story:** A text area for describing the campaign purpose.
- Tags:** A text input for associating words with the campaign.
- Overview Image:** A file upload field for selecting a campaign image.
- Launch Your Campaign!**: A yellow button at the bottom.

The URL in the browser is `127.0.0.1:8000/start_campaign/`.

After Launching a campaign, this page is about this **campaign info**

Screenshot of the campaign detail page for 'KGF'.

The page displays:

- Cover Image:** A scenic view of a green hillside under a blue sky with clouds.
- Title:** Education
- Campaign Initiator:** KGF  
karthik12345  
Hyderabad, India
- Actions:** Buttons for Update, FAQ, Rewards, Comments, and Like.
- Statistics:** Goal ₹20.0 and ₹0.0 raised by 0 supporters.
- Share icon:** A circular icon with a share symbol.

The URL in the browser is `127.0.0.1:8000/campaign/1/`.

## Same page (continuation...)

The screenshot shows a web browser window with three tabs: 'Site administration | Django site', 'KGf', and 'CampaignsiceBreaker'. The active tab is 'CampaignsiceBreaker' with the URL '127.0.0.1:8000/campaign/1/'. The page title is 'iceBreaker'. The main content area is titled 'Campaign Outline' and includes sections for 'COMMUNITIES', 'NOTIFICATIONS', 'CONTACT US', and 'LOGOUT'. A user profile 'HOWDY KARTHIK12345!' is visible. Below the navigation, there's a 'Story' section with the text 'Story' and 'ddd'. To the right, there's a reward card for a 'good' item, which costs Rs 123/- and has 0 of 2 claimed. A green 'Get It!' button is present. At the bottom, there are links for 'COMMENTS', 'UPDATES', 'SUPPORTERS', and 'FAQs'.

This page is about **getting rewards** from above image of Rs 123/-

The screenshot shows a web browser window with three tabs: 'Site administration | Django site', 'IceBreaker', and 'CampaignsiceBreaker'. The active tab is 'CampaignsiceBreaker' with the URL '127.0.0.1:8000/checkout1/1/'. The page title is 'iceBreaker'. The main content area displays a payment selection interface. At the top, it says 'Total Cost: Rs.123'. Below that, there are two sections: 'Checkout with Braintree' and 'Checkout with Stripe'. Under 'Checkout with Braintree', there are options for 'Card' and 'PayPal'. Under 'Checkout with Stripe', there is an option for 'Credit or debit card'. A 'Submit Payment' button is located at the bottom of the payment section. At the very bottom of the page, there's a footer with links for 'Home', 'Projects', 'Marketplace', and 'Contact Us', along with a copyright notice: 'Copyright © 2023. All rights reserved. IceBreaker'.

Here we can see **comments**, **updates**, **supporters** and **FAQs**

The screenshot shows a web browser window with three tabs: "Site administration | Django site", "KGF", and "free visa cards for applications". The main content area displays the "iceBreaker" campaign page at "127.0.0.1:8000/campaign/1". The page has a dark header with the title "iceBreaker". Below the header is a navigation bar with links: VOLUNTEER, EXPLORE, MARKETPLACE, COMMUNITIES, NOTIFICATIONS, CONTACT US, LOGOUT, and a user greeting "HOWDY KARTHIK12345!". A yellow box highlights the "EXPLORE" section, which contains a "good" badge, a "Donate 123.0" button, "0 of 2 claimed" text, and a "Get this!" button. Below this is a row of buttons: COMMENTS (0), UPDATES (0), SUPPORTERS (0), and FAQs (0). A message "No updates!" is displayed. Further down is a "Tags" section with the text "hello, everyone" and two buttons: "Edit" and "Delete". At the bottom of the page are links: Home, Projects, Marketplace, and Contact Us.

**Supporters** showing (0) as of now.

The screenshot shows the same web browser window and campaign page as the previous one. The "SUPPORTERS (0)" button is highlighted with a yellow box. Below it, the message "No backers!" is displayed. The rest of the page content is identical to the first screenshot, including the "Tags" section and the footer links.

## FAQs showing (0) as of now

The screenshot shows a web browser window with three tabs: 'Site administration | Django site', 'IceBreaker', and 'free visa cards for applications'. The main content area displays the 'iceBreaker' application's interface. At the top, there is a navigation bar with links for 'VOLUNTEER', 'EXPLORE', 'MARKETPLACE', 'COMMUNITIES', 'NOTIFICATIONS', 'CONTACT US', 'LOGOUT', and a greeting 'HOWDY KARTHIK12345!'. Below this, a section titled 'good' contains a 'Donate 123.0' button, a progress bar showing '0 of 2 claimed', and a 'Get this!' button. A yellow box highlights this section. Below this, there are buttons for 'COMMENTS', 'UPDATES', 'SUPPORTERS', and 'FAQs'. A message 'No faqs!' is displayed. Further down, there is a 'Tags' section with a single entry 'hello, everyone'. Below this are 'Edit' and 'Delete' buttons. At the bottom of the page, there is a footer with links for 'Home', 'Projects', 'Marketplace', and 'Contact Us'. The URL in the browser's address bar is '127.0.0.1:8000/campaign/1/#faqs'.

## Adding Comment to KGF campaign

The screenshot shows a web browser window with three tabs: 'Site administration | Django site', 'IceBreaker', and 'free visa cards for applications'. The main content area displays the 'iceBreaker' application's interface. At the top, there is a navigation bar with links for 'VOLUNTEER', 'EXPLORE', 'MARKETPLACE', 'COMMUNITIES', 'NOTIFICATIONS', 'CONTACT US', 'LOGOUT', and a greeting 'HOWDY KARTHIK12345!'. Below this, there is a large image of a wooden structure. On the left, there is a form for adding a comment with a text area containing 'good work kgf' and a 'Submit' button. On the right, there is a placeholder text area labeled 'Post your opinion here'. At the bottom, there is a footer with links for 'Home', 'Projects', 'Marketplace', and 'Contact Us'. The URL in the browser's address bar is '127.0.0.1:8000/campaign/1/comment/'.

Here in **comment section** you can see the comment given by me

The screenshot shows a web browser window with three tabs: "Site administration | Django site", "KGF", and "free visa cards for applications". The main content area displays the "iceBreaker" website. At the top, there's a navigation bar with links for VOLUNTEER, EXPLORE, MARKETPLACE, COMMUNITIES, NOTIFICATIONS, CONTACT US, LOGOUT, and a user profile "HOWDY KARTHIK12345!". A yellow box highlights a comment card for "kgf" with the text "good work kgf" and a timestamp "— by kartik 12345". Below the comment, there are links for COMMENTS, UPDATES, SUPPORTERS, and FAQs. A "Tags" section contains the tag "hello, everyone". At the bottom, there are "Edit" and "Delete" buttons, followed by a footer with links for Home, Projects, Marketplace, Contact Us, and copyright information: "Copyright ©2020 All rights reserved | by iceBreaker".

Here I am **adding FAQs** for supporters of this KGF campaign

The screenshot shows a web browser window with three tabs: "Site administration | Django site", "IceBreaker", and "free visa cards for applications". The main content area displays the "iceBreaker" website. The navigation bar includes links for VOLUNTEER, EXPLORE, MARKETPLACE, COMMUNITIES, NOTIFICATIONS, CONTACT US, LOGOUT, and a user profile "HOWDY KARTHIK12345". A large image of a wooden interior serves as the background. On the left, a form titled "Add an FAQ!" has a "Text:" input field containing the text "update some goal value". On the right, a box says "Keep your supporters updated!" with a "Submit" button at the bottom.

I have updated the campaign using update button in this page

The screenshot shows a campaign update page for 'iceBreaker'. At the top, there's a progress bar indicating '0 of 2 claimed' with a green 'Get this!' button. Below the progress bar, there are tabs for 'COMMENTS', 'UPDATES' (which is selected), 'SUPPORTERS', and 'FAQs'. A message from 'karthik12345' dated Oct. 22, 2020, at 8:56 a.m. says 'update some goal value'. Underneath, there's a 'Tags' section with the tag 'hello, everyone'. At the bottom, there are 'Edit' and 'Delete' buttons.

Adding an FAQs so that we can see it in FAQ section

The screenshot shows the 'Add an FAQ!' form. It has two main sections: 'Question:' and 'Answer:'. The 'Question:' section contains the text 'What are you raising funds for?'. The 'Answer:' section contains the text 'its for a good cause'. To the right of the form, there's a placeholder text box: 'What is it that you'd like the supporters to know'. At the bottom of the form, there's a 'submit' button.

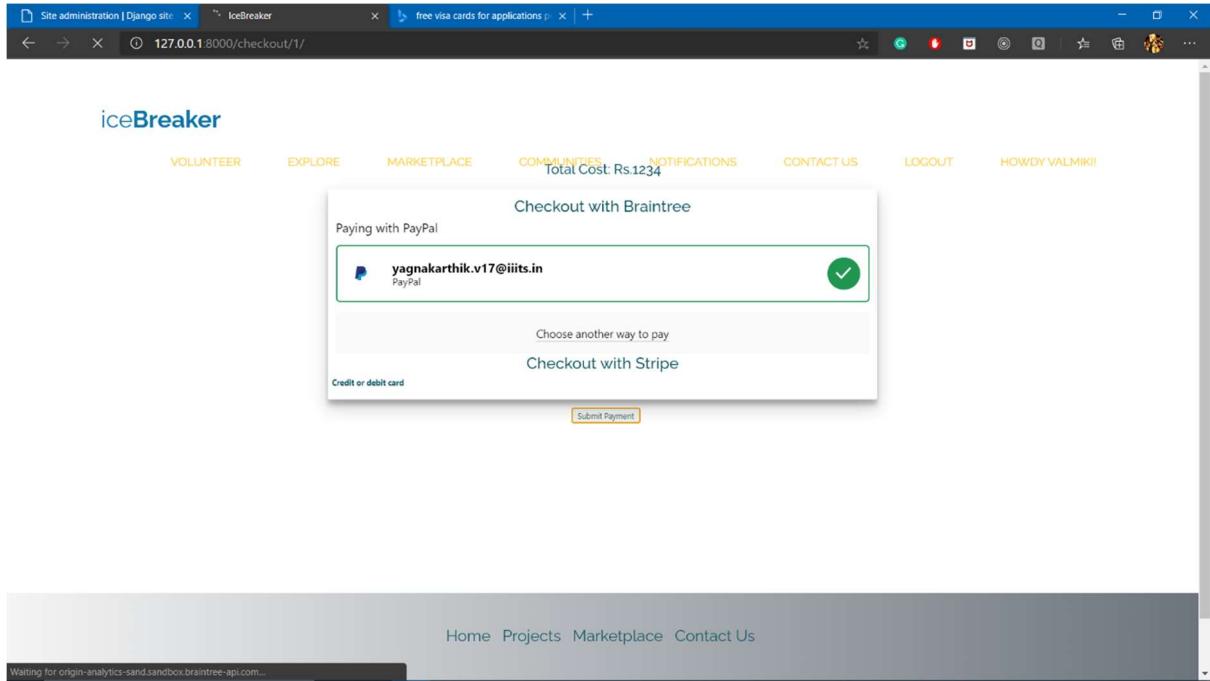

Here you can see FAQ of above image

The screenshot shows a web browser window with three tabs: "Site administration | Django site", "KGF", and "free visa cards for applications". The main content area displays a campaign page for "KGF" on the "iceBreaker" platform. The page includes a navigation bar with links for VOLUNTEER, EXPLORE, MARKETPLACE, COMMUNITIES, NOTIFICATIONS, CONTACT US, LOGOUT, and a user profile "HOWDY KARTHIK12345!". Below the navigation is a "Story" section featuring a yellow-bordered box with the text "good", "Donate 123.0", "0 of 2 claimed", and a "Get This" button. Below this are sections for COMMENTS (1), UPDATES (1), SUPPORTERS (0), and FAQ (1). A question in the FAQ section asks "What are you raising funds for?" with the answer "Its for a good cause kgf". The page also features a "Tags" section with the tag "hello, everyone".

Here I have login from other user called **Valmiki** then I supported the campaign started by **karthik12345**

The screenshot shows a web browser window with three tabs: "Site administration | Django site", "KGF", and "free visa cards for applications". The main content area displays a campaign page for "KGF" on the "iceBreaker" platform. The page includes a navigation bar with links for VOLUNTEER, EXPLORE, MARKETPLACE, COMMUNITIES, NOTIFICATIONS, CONTACT US, LOGOUT, and a user profile "HOWDY VALMIKI!". Below the navigation is a large image of a tree on a hill under a blue sky. To the right of the image, the campaign details are listed: "Education", "KGF", "Work hard", "Campaign Initiator: karthik12345 (Hyderabad, India)", "Comments" (button), "Like" (button), "1 Likes", "Goal: ₹20.0", and "₹0.0 raised by 0 supporters". At the bottom is a teal footer bar with "SUPPORT IT" and a speech bubble icon.

**For supporting we have to pay some amount so I have used it with some payment methods and supported it**

The screenshot shows a web browser window with three tabs: "Site administration | Django site", "IceBreaker", and "free visa cards for applications". The main content area displays the "iceBreaker" website. At the top, there are navigation links: VOLUNTEER, EXPLORE, MARKETPLACE, COMMUNITIES (with a note "Total Cost: Rs.1234"), NOTIFICATIONS, CONTACT US, LOGOUT, and a greeting "HOWDY VALMIKI!!". Below this is a "Checkout with Braintree" modal. The modal has a header "Paying with PayPal" and a sub-header "Checkout with Braintree". It shows an email input field containing "yagnakarthik.v17@iits.in" with a "PayPal" logo next to it. A green checkmark icon is in the top right corner of the input field. Below this is a link "Choose another way to pay". There is also a "Checkout with Stripe" section with a "Credit or debit card" link and a "Submit Payment" button at the bottom. At the very bottom of the page, there is a footer bar with links to "Home", "Projects", "Marketplace", and "Contact Us". A status message "Waiting for origin-analytics-sand.sandbox.braintree-api.com..." is visible in the footer.

**Here this page is about payment successful**

The screenshot shows a web browser window with three tabs: "Site administration | Django site", "127.0.0.1:8000/checkout/1/", and "free visa cards for applications". The main content area displays a confirmation message: "Thank you! Your purchase was successful!". This message is centered on the page below a horizontal line.

Here this **2 pages** is about showing **Valmiki supported** the campaign and in **2<sup>nd</sup> second image it shows in supporters box**

The screenshot shows a campaign page for 'KGF' on the 'iceBreaker' platform. The page includes a large image of a tree on a hillside under a blue sky with clouds. The campaign details are as follows:

- Category:** Education
- Name:** KGF
- Description:** Work hard
- Campaign Initiator:** karthik12345 (Hyderabad, India)
- Comments:** 1 (button)
- Like:** 1 (button)
- Goal:** ₹20.0
- Funding:** ₹1234.0 raised by 1 supporters
- Support:** A button with a star icon and the text "SUPPORT IT".

Below the main content, there are navigation links for **COMMENTS**, **UPDATES**, **SUPPORTERS**, and **FAQs**. The **SUPPORTERS** link is highlighted with a grey background. The **SUPPORTERS** section shows one supporter named **valmiki** who has contributed ₹1234.0.

**Tags:** hello, everyone

Here we can see amount which Valmiki supported is can be seen

The screenshot shows a web application interface for 'iceBreaker'. At the top, there are three browser tabs: 'Site administration | Django site', 'Campaigns|iceBreaker', and 'free visa cards for applications p...'. The main content area displays a campaign for 'KGF' with the following details:

- Project Name:** KGF
- Description:** Work hard
- Category:** EDUCATION
- Amount Raised:** ₹20.0
- Funding Status:** 6170% funded (1234.0 raised)
- Progress Bar:** A blue bar indicating 6170% funded.
- Time Left:** 29 days left
- Status:** Started

On the right side, there is a sidebar with categories: Creative, Social, Tech, All, Start, and Campaign. The 'All' category is selected.

After Valmiki supporting the campaign we will send the mail to "karthik12345"

The screenshot shows a Gmail inbox with 1,626 unread messages. The current message is from 'djangoproject777@gmail.com' (to 'ruthela.shiva512, me') and is titled 'Received Funds'. The email body contains the following text:

Congrats!!! karthik12345  
You have received a fund of ₹.1234 to the project KGF by valmiki

Below the message are three buttons: Reply, Reply all, and Forward.

# Admin Page

The screenshot displays two pages of the Django admin interface for the 'IceBreaker' application, both accessed via the URL `127.0.0.1:8000/admin/`.

**Top Page (Screenshot 1):**
